Food for the Brain Child Survey on GMTV

GMTV's coverage of BRITAIN'S BIGGEST EVER SURVEY OF OVER 10,000 CHILDREN. THIS REPORT REVEALS FOODS THAT CAN MAKE CHILDREN SMARTER.

For more information on the Child Survey, [click here](#).

The Food for the Brain Child Survey, sponsored by Organix, compares food intake with behaviour, academic performance and health.

To purchase a copy of the **FOOD FOR THE BRAIN CHILD SURVEY** (cost £10.00) [click here](#).

This report is **FREE** for **FRIENDS** of Food for the Brain. If you wish to become a **Friend of Food for the Brain**, you can do so by making a donation, [click here](#). All donations go towards helping us achieve our mission and are gratefully received.
